The school is excited to announce an official release of its very own newsletter, The Spectrum. It will keep the students, parents, and staff informed about the latest events, achievements, and important updates within our educational community.

Greetings! As stewards of information and storytelling, we convene once again to curate the essence of Delhi Public School, Yamunanagar, within the pages of our newsletter. Our shared commitment to communication and community-building fuels our editorial journey. Through words and visuals, we'll encapsulate achievements, anecdotes, and the evolving spirit of our school. Let's harness the power of our roles to craft a newsletter that resonates, connects, and extends the Delhi Public School experience far beyond our campus.

We would like to thank Devv Monga, Josh Kunwar Singh Bhatia, Panishti Kumar, Samarth Mittal and Vardaan Chanana along with Mrs. Daljeet Kaur, Dr. Minakshi Jaiswal and Mrs. Deepika Yadav.

About

It is when students learn to make sense out of their world that they become the people who eventually transform it. Keeping the very thought in mind, we introduce to you, the first volume of The Delhi Public School Newsletter, a quarterly publication that updates the students of the institution on everything ranging from current affairs to the school news. In addition, the newsletter aims to serve as a viable forum of entertainment for the students by providing various columns for the students themselves to express their creativity and other niches through the means of this periodical. One of the newsletter's core objectives is to improve communication among students and encourage the act of coming together, ideating and brainstorming, so as to, establishing a healthy sense of association with one another. Here, we aim on expanding the student's horizons, enriching the zeniths of their imagination.

From The Principal Desk
Mrs. MANISHA SINGH

"Put your heart, mind and soul into even your smallest act. This is the secret of success"

Delhi Public School Yamuna Nagar, established in April 2007 with a campus area of 17 acres, aims at creating an environment that nurtures ambitions and abilities where the youth find their voices, develop their potential and learn leadership skills, which equip them to perform various roles in a rapidly changing world. The school imparts value, education which dispels the dark clouds of ignorance and channelizes the natural curiosity of children and provide the stimulation that they require to blossom into balanced individuals.

Through the years the school has strictly pursued excellence in academics, sports, environmental development and moral upliftment and keen competition.

The school is not restricted to ponder and float of its achievements but is motivation towards the excellence enbibed with traditional values.

The school's prime mission is to develop students with qualities of integrity, honest, truth, trust, tolerance and compassion; to foster a spirit of enquiry; to promote a scientific temper within bonds of humanism; to understand the importance of values and to see that courage and industry have due reward.

The school with modern amenities offer the students ample opportunities to manifest their talent.

ACADEMIC LAURELS

Every achievement is servitude. It compels us to higher achievement. We are pleased and proud to share the highlights from another set of outstanding CBSE exam results for the year 2022-2023. The students of DPS Yamuna Nagar have proved it true time and again by getting hold of one achievement after the other. The same corroborated as students of classes 10th and 12th showcased an outstanding execution of hard work with laudable 100% result.

Class 12th showed outstanding results.

Bhumika Garg excelled and scored 95.6% in science stream, Lakshadweep Singal bagged 92% in medical. Kumar Dennis Shah and Akshay Goyal scored the exact same 95.4 % in Commerce stream and Sanah scored a whopping score of 94.8%.

Subject wise toppers :

Sanah Goel scored the highest 98 in English, and 95 in each History and Sociology. Pragati scored highest 92 in Hindi and 93 in political science. The highest marks 95 in Economics were scored by Prateek whereas Dennis scored 98 in B.St. Following the league are science students Bhumi scoring 99 in chemistry, Kanav 98 in Maths, Bhumi and Lakshay Singla 95 in Physics, Lakshay Singla again highest in biology. The three students scored 100 marks in music . They are Tanisha, Akshay and Shrey. Jasneet Kaur scored 85, highest marks in N.C.C. Whereas Joydeep scored 95 in P.Ed. Vidit excellently performed in Yoga by scoring 98 and Jasneet scored 93 in IP.

Adding another feather to its cap, Delhi Public School, Yamuna Nagar has received the award for “India’s Best Schools 2023” and has got AAA grade (Under Day School Category). The school has also graded AAA+ (Under Residential School Category) for the academic year (2022-2023) of arena 360.

A MEDIOCRE TEACHER TELLS, A GREAT ONE INSPIRES.

We congratulate Mrs Kamalpreet kaur and Ms. Priya Ahlawat of Science department at Delhi Public School who got a golden achievement from the ‘Ministry of Education’s Innovation Cell’. They were awarded by the Chief Innovation Officer and Director, Dr Abhay Jere and Dr Biswajit Saha for completing the ‘SCHOOL INNOVATION AMBASSADOR TRAINING PROGRAM’ of duration 72 hours, held by The Ministry of Education’s Innovation (AICTE) in collaboration with The Central Board of Secondary Education (CBSE).

Our school, just as much as any other institution, requires teachers, who do not just preach but inspire and aims to bring out the level best potential in every single dipside, thus shaping raw minds into those of true intellect. As truly said, “A mediocre teacher tells, a good teacher explains, the superior teacher demonstrates and the great teacher inspires.”

We congratulate the teachers for achieving these heights and hope for them to climb the ladder of success and professional prosperity even higher. Delhi Public School feels truly privileged to have such integral faculty member and to consistently inspire the students while making the school proud as well.

We are delighted to share with you the enriching experience of Delhi Public School, Yamuna Nagar, where all our dedicated teachers participated in Capacity Building Programme and Human Resource Development Programmes organized by the Central Board of Secondary Education (CBSE). The programme commenced on the 15th of April and concluded on the 29th of April, fostering an environment of growth and learning.

We are delighted to highlight the success of Mr. Tarun Kalra, PGT Physics, who has attended a Physics and Mathematics workshop held from 27th to 31st May, organized by the Human Resource Development Center of DPS Society at Noida.

There was a seminar on "Managing Diversity In The Classroom" where Mrs. Pooja Bobal (TGT) took the initiative to be the part of.

A Capacity Building Programme on "Class Management" was attended by Dr. Meenakshi Jaiswal(PGT)

Mrs. Ritu Khurana(TGT) attended two courses on "Globalisation And The Indian Economy Demand, Elasticity And Cost Analysis" and "EmploymentAnd Human Capital Formation"

Miss Gurucharan Kaur attended a programme on "Macroeconomics and Uses Of Economics"

A course on "Coping With Stress" was attended by Miss Aastha Chauhan(Counsellor)

DENTAL CHECKUP & BOOK FAIR

We are delighted to share the news of a highly successful dental checkup event that recently took place at our school. Working together with a team of dedicated dental professionals, we aimed to prioritise the health and well-being of our students by promoting good oral hygiene habits.

During the event, students received individualised dental checkups at specially set up stations. The dentists and their team were warm and friendly, ensuring a comfortable experience for everyone. They addressed questions and concerns with patience and provided valuable advice to students and parents where needed.

The dental checkup event received overwhelming positive feedback from both students and parents.

The school book fair, was a time when imagination soared and pages whispered secrets, left a trail of literacy. Rows of colourful bookshelves beckoned students with the literacy treasures, each cover promising adventures experience.

Excitement filled the air as students eagerly browsed through the pages, discovering new words.

The school organised a book fair for all the students of classes little steps to 12th. The fair was a perfect getaway inculcating reading habits among the minds of many students as the students had access to many varieties of books under one roof. The book fair on all the three days saw a huge footfall of the students and parents thereby making it a grand success!

Co- curricular activities help students study more effectively, find and develop their inherent capabilities such as creativity, public speaking and leadership abilities.

Physical activity is being given a lot of emphasis at the school. This is also in line with CBSE guidelines, where sports have been equated with academics. We at Delhi Public School, Yamuna Nagar believe a sound mind resides in a sound body. In today's world where children are confined within their own homes indulging themselves in electronic games, we emphasis our outdoor games and sports. Besides this, we also train the students in Karate, Skating, Tennis, Cricket, Basketball, Table Tennis, Shooting, Badminton, Swimming and other power sports.

Artificial Intelligence is the new buzz word that is creating sensation all around the world. The mighty talented Mr. Shubham Gupta from IIT-Mumbai has his expert views and shared his rich experience and made students learn about algorithms, programming games, machine learning and face detection technology. In this category the stiff competition was held where Aaditya Dhingra of 11th-C won the first prize followed by Yuval Kalra of 9th-A won the second prize and Divyansh Mangal of 11th-A won the third prize. Iknoor Kaur of 10th-A and Dhairya of 8th-C won the consolation prizes.

To nurture and develop the latent talents of the students at the nascent stage, Delhi Public School - Yamuna Nagar organised a two days workshop of Robotics classes from 3rd to 5th of Robo Soccer and for classes 6th to 12th of Artificial Intelligence in close association with Vigyantram Abhyuday -IIT (Mumbai) from 18th to 19th May,2023.Students from classes 3rd to 5th were given this lifetime opportunity to do experiments and develop prototypes with the experts. Student's queries and inquisitive mindset was rightly answered by the experts from The Vigyantram Abhyuday IIT (Mumbai) that includes Mr. Brijesh (Assistant engineer - New Delhi) and Mr. Devraj (Assistant engineer - New Delhi). In the competition held, Raghav Gulati of 5th-B won the first prize followed by Anshuman of 3rd-B won the second prize and Vihaan Jain of 3rd-B won the third prize subsequently.

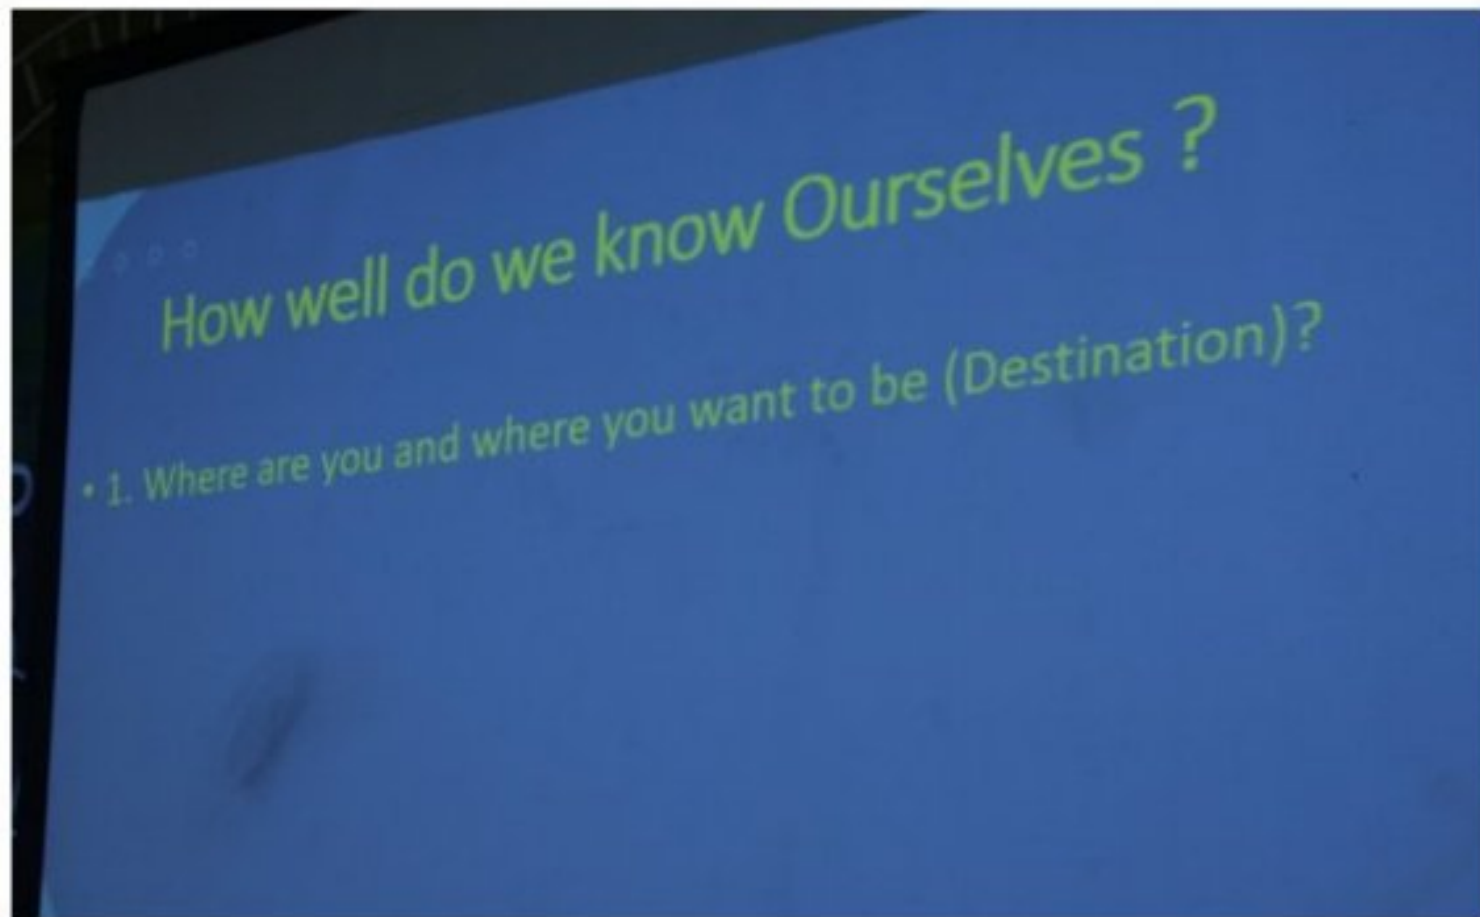

“All of us are talented in our own unique way”

The Talent Hunt is not merely a competition; it is an ode to the unyielding pursuit of excellence. Whether it's singing, dancing, acting, painting, writing, or any other art form, the event welcomes participants from all walks of life, urging them to embrace their passions and chase their dreams with relentless fervour. Here, talent is not confined to convention; it is an expression of raw passion and dedication, inspiring others to reach for the stars.

Intending to nurture the intrinsic qualities of the students, Delhi Public School, Yamuna Nagar organised a “Talent Hunt Competition” on 26th May,2023 from grade 1st to 10th. The school's brimming artists showcased an array of meritorious perform.

Inter house General Knowledge Quiz competition for grade 3rd, 4th and 5th learners was organised in the hallowed campus of DPS Yamuna Nagar on 25 May 2023. Amaltas' house won the competition through neck to neck.

In a thought-provoking session held on a bright Friday morning, the school welcomed an inspiring speaker to enlighten the 11th and 12th class students from all streams about the vast world of New Age and Unconventional Careers. The event took place on the 28th of July.

The event aimed to encourage students to think beyond the usual career options and consider exploring their passions and interests to find fulfilling and unique career paths. The speaker shared fascinating stories of individuals who carved their niche in unconventional fields, proving that with dedication and determination, one can excel in any domain.

The school administration extends its heartfelt gratitude to the speaker for sharing valuable insights and guiding our students towards the uncharted territories of career opportunities. The event undoubtedly left a lasting impression on both the students and faculty alike, reminding us all to embrace change and to forge our own unique paths in this ever-evolving world.

The self-introduction competition served as a powerful medium for nurturing self-confidence in these young children. With gentle guidance from their teachers, the kids practised their introductions in the days leading up to the event. By rehearsing and presenting their introductions in front of their peers and teachers, they learned to overcome stage fright and apprehension, paving the way for lifelong self-assurance.

The Kindergarten Self-Introduction Competition stood as a shining testament to the power of nurturing confidence, individuality, and friendship in the earliest stages of a child's life. Through the event, the kindergarten community fostered an atmosphere of love, acceptance, and encouragement. As the day drew to a close, the children left the stage with hearts full of joy and newfound belief in themselves, knowing that they were indeed the brightest stars in their own constellations of life.

Each child's unique personality shone through during the competition. Some introduced themselves with heartfelt speeches, sharing their favourite hobbies and dreams. Others chose to sing sweet melodies or perform lively dance routines, showcasing their natural talents. The spectrum of diversity and individuality was a delightful reminder that every child is a distinct star, capable of leaving an indelible mark on the world.

While each child took the stage as an individual, the competition emphasized the importance of building lasting friendships and practicing empathy. As they watched their peers bravely showcase their personalities, the children learned to appreciate each other's strengths and differences. This understanding laid the foundation for a harmonious and supportive learning environment.

CLUBS

Friendly matches create the perfect environment for learning and growing. Sharpen your skills as we organise thrilling clubs throughout the year. Put your strategic acumen to the test, and compete with fellow players in various clubs like chess, photography, science, maths, dance, music, art and craft and many more.

The puzzle requires perseverance. At times it can take hours to solve a puzzle. Working on this classic puzzle requires a lot of strategies that can deal with unpredicted twists and leads to a greater sense of satisfaction and accomplishment. It prepares for events in the future when you will be faced while challenging tasks that are time-consuming. There are various rubik's cube like 2x2, 3x3, Pyraminx, Mirror, 4x4x4, 5x5x5, 6x6x6 and many more.

Rubik's cube club started for grade 3rd to 5th every Thursday.
